- Guidelines for number of presenters per session: 1 hour—not more than 2 presenters; 1.5 to 2 hours—not more than 3 presenters; 3 hours—not more than 4 presenters; 6 hours—not more than 5 presenters.
- The primary presenter is the primary point of contact and the one receiver of the complimentary registration benefit (if they are a state OT association member.) Co-presenters receive a pass to their session only.
- All presenters listed in your proposal submission should be prepared to participate at this event; if an individual is not prepared to participate, please indicate this next to the individual's name (e.g., contributor will not attend). We publish only the names of presenters who will be participating at the event as a presenter.
- Confirm that the e-mail addresses for all presenters are current and correct.
- Include contact information for all presenters — e-mail, telephone, and affiliation.
- Ensure that complete CVs are included for all presenters.
- Ensure Learning Objectives are included for your presentation submissions. We publish a document that includes Learning Objectives for all sessions.
- Review your submission for grammatical and spelling accuracy.
- **WROTSS education sessions are non-commercial.** Refrain from endorsing specific products. Referencing brand names should be inherently limited. WROTSS podium is not to be used for direct promotion related to presenter(s) product/service/monetary self-interest, or overt statements, harsh language, or humor that might disparage any individual or group.
- Presenters submitting proposals that contain copy written or service marked material must have permission to use such material. **Proposals containing material used without permission may be removed from consideration for this educational conference.**
- Travel Expenses — any travel expenses (airfare, ground, hotel, etc.) are the responsibility of the presenters.

PLANNING AHEAD FOR SESSION PROPOSALS

- ▶ If you need to limit attendance of your session to a maximum number, or if there is a device (laptop, tablet, smartphone, etc.) that attendees should bring to enhance their learning experience, please include under the **"Special Requests"** section of the submission.
- ▶ Should the session proposal be accepted, give consideration to the format and length of the handouts. Attendees will download handouts in advance of the Symposium and the information below is based upon feedback from attendees.
 - If the handout will mirror the PowerPoint presentation, please format the handout with three slides to a page with a lined area to the right of the slide (this is accomplished through the PowerPoint application in how the document is saved).
 - If at all possible, keep the handout to less than 20 pages. If the handout is greater than 20 pages, we ask that you consider condensing the material (as attendees may print handouts at home to bring with them to your session), or provide your own copies to the attendees (Note: the cost of providing hard copies of handouts is the responsibility of the presenters).
