**Friday February 14th –
Monday February 17th,
2020**

**Straub Medical Center
Honolulu, Hawaii**

**Presented by:
Ann Elise Kryszak, OTR, CLT**
Under the direction of:
Comprehensive Lymphedema
Management for American Health
Care

Day 1: Feb 14, 2020

Straub Pearlridge Clinic (2nd Fl. Conf Rm)

98-151 Pali Momi St. Aiea, HI 96701

Sponsored by Kryszak Consulting

About the Presenter:

Ann Elise Kryszak, OTR, CLT, is a treating therapist and educator specializing in advanced practices in Lymphedema Management. She has been a practicing therapist for 42 years and a Lymphedema Specialist for 22 years.

Ann Elise has studied with Dr. Albert LeDuc of Brussels, world renown for his work and research in Lymphedema and is certified in the Methods of Manual Lymph Therapy. Ann Elise is also certified in the Comprehensive Lymphedema Treatment for American Health Care, studying and mentoring directly with Judy Purtell, OTR, CLT. She has studied with Linda Miller, noted for her work with Breast Cancer Patients. She has developed the Lymphedema programs for MJ Care Inc. and Aurora Sinai Medical Center and Linden Grove Menomonee Falls, Rehab and Outpatient Therapy. She is currently part of the Rehab team at Froedtert Hospital in the Cancer Rehab Program.

She has studied with Luther C. Kloth and is certified in his Wound Care Management for PTs and OTs. She has developed the practice of Lymphedema management protocols with wound care to advance the healing process.

Ann Elise is a former faculty member in the Occupational Therapy Program at Mount Mary College in Milwaukee, WI, and was a course instructor for the national series, Lymphedema, Accept the Challenge sponsored by Smith and Nephew Rehabilitation Division. She is currently traveling nationwide as course instructor for the Comprehensive Lymphedema Treatment for American Health Care, originated and developed by Judy Purtell, OTR, CLT.

Why attend this course?

This comprehensive certification course is designed to teach therapists the most current management techniques to effectively treat Lymphedema. Participants will leave this course with a certificate of Comprehensive Lymphedema Management Therapy (CLT) and techniques needed to immediately begin managing patients with Lymphedema. Effective assessment and treatment approaches will be thoroughly discussed and practiced in the laboratory experience. You will gain information pertaining to the necessary manual techniques from Comprehensive Lymphedema Management for American Health Care required to appropriately design a therapeutic treatment approach and self-care program. **Who Should Attend: OTR's, COTA's PT's, PTA's, RN's, LPN's**

- Instruct patients & health care professionals in precautions and skin care
- Choose the appropriate compression garments & instruct patients in correct application
- Develop appropriate individualized treatment programs for successful outcomes

Course Schedule

Day 1: Friday, February 14th, 2020

- 4:00 Welcome, Introductions, Agenda approval
- 4:15 Anatomy & physiology of the Lymphatic system
- 5:30 Causes of Lymphedema
- 6:15 Break (supper)
- 6:45 Research-based Principles of Treatment of Lymphedema: Anatomoses, Kubik's Watershed & Lymphotomes for the Arm & Trunk, Startling's Law
- 7:30 Basic Techniques for drainage pathways & Alternate Pathways
- 8:30 Understanding Lymphedema - Video
- 9:00 Session ends

Day 2: Saturday, February 15th, 2020

- ***At Straub Medical Center***
- 8:00 Q & A; Review of previous day
- 8:15 Lymphedema treatment for the upper extremity
- 9:00 Pathways for the upper extremity
- 9:30 Demonstrate & practice major node clearing techniques
- 10:15 Break
- 10:30 Demonstrate & practice trunk & back techniques
- 12:30 "Lunch In" Ann Elise Presents Compression Designs/Alternates To Bandaging and bandages
- 1:00 Continued Practice Trunk and Back Techniques
- 1:30 Demo & practice fluid mobilizing technique for arm
- 2:00 Demo & practice protein reabsorption technique for arm
- 2:30 Break
- 2:45 Demo unilateral Lymphedema technique with breath, trunk, back, arm mobilizing and reabsorbing

- 3:15 Practice: unilateral Lymphedema treatment for Upper Extremity
- 5:00 Demo & practice bilateral Lymphedema treatment - one side
- 5:30 Demo bilateral - both sides
- 6:30 Session ends

Day 3: Sunday, February 16th, 2020 *** At Straub Medical Center***

- 8:00 Q & A; Review of previous day
- 8:15 Lymphedema Case Study - Foldi Video 2
- 9:00 Evaluation / measurement methods of the Upper Extremity
- 9:45 Introduction to Lymphedema Exercises for the Arm and Self Massage
- 10:15 Break
- 10:30 Review: anatomy & physiology
 - the pelvis & leg lymphatic & circulatory system,
 - Watersheds & lymphotomes: normal & reroutes - Unilateral/ Bilateral
- 11:30 Pathways for the leg
- 12:30 "Lunch In" Ann Elise presents: Appropriate Compression Pump on use of the pump with UE/LE
 - Indications
 - Contradictions
 - Pressures: Lymphedema, Venos stasis, RSD, pre-post surgical edema
 - Demo & experience use of the compression pump
- 1:00 Demonstrate and Practice Unilateral Lymphedema Treatment for the Leg
- 2:45 Break
- 3:00 Demonstrate and Practice Bilateral

- 4:00 Introduction to bandaging
- 4:15 Demonstrate and Practice Compression Bandaging Techniques for the Leg (with foam)
- 5:00 Demo & practice compression bandaging techniques for the arm
 - With foam
 - With finger wraps & padding
- 6:15 Tie up loose ends - answer questions regarding test
- 6:30 Session Ends
- Day 4: Monday, February 17th, 2020
- 8:00 Q & A -review of previous day
- 8:15 Review anything requested
- 8:30 Evaluation and Measurement Methods of the Lower Extremity
- 9:15 Lower extremity self massage, MLDM, Exercise videos, Measurements
- 10:15 Reimbursement: How to get paid Intake, Documentation, Outcomes
- 10:45 Marketing Ideas - Handouts, Brochures, Cold Calls
- 11:30 Test review
- 12:00 Lunch (Presented by Ann Elise - How to Set up a Program)
- 12:30 Case Study Review & Discussion: "The Effects of MLD & Exercise..."
- 1:30 Practicum: Group Scenarios: Case Studies Self-management program Development for Managed Care
- 2:15 Individual Practicum Test and Presentations
- 3:15 Q & A, Wrap - Up
- 3:30 Course Ends/Certificates Received

Days Feb 15-17, 2020

Straub Medical Center
888 S King St. Honolulu, HI 96813
